#### The Hunter

For almost a century, the Realm's most deadly assassin, Chalton Reese, has left war and death in the past, turning instead to strategy, reason, and technology. His fingers, still stained with blood, now protect with a keyboard instead of a weapon.

Until the vampire king sends him on one more mission; to hunt down a human female with the knowledge to destroy the Realm. A woman with eyes like emeralds, a brain to match his own, and a passion that might destroy them both—if the enemy on their heels doesn't do so first.

#### The Hunted

Olivia Roberts has foregone relationships with wimpy metrosexuals in favor of pursuing a good story, bound and determined to uncover the truth, any truth. When her instincts start humming about missing proprietary information, she has no idea her search for a story will lead her to a ripped, sexy, and dangerous male beyond any human man. Setting aside the unbelievable fact that he's a vampire and she's his prey, she discovers that trusting him is the only chance they have to survive the danger stalking them both.

## **RISING STORM Soap Opera**

***Welcome to Storm, Texas, where passion runs hot, desire runs deep, and secrets have the power to destroy...***

Nestled among rolling hills and painted with vibrant wildflowers, the bucolic town of Storm, Texas, seems like nothing short of perfection.

But there are secrets beneath the facade. Dark secrets. Powerful secrets. The kind that can destroy lives and tear families apart. The kind that can cut through a town like a tempest, leaving jealousy and destruction in its wake, along with shattered hopes and broken dreams. All it takes is one little thing to shatter that polish.

Reading like an on-going drama in the tradition of classic day and night-time soap operas like *Dallas*, *Dynasty*, and *All My Children*, *Rising Storm* is full of scandal, deceit, romance, passion, and secrets.

With 1001 Dark Nights as the “producer,” Julie Kenner and Dee Davis use a television model with each week building on the last to create a storyline that fulfills the promise of a drama-filled soap opera. Joining Kenner and Davis in the “writer’s room” is an incredible group of New York Times bestselling authors such as Lexi Blake, Elisabeth Naughton, Jennifer Probst, Larissa Ione, Rebecca Zanetti and Lisa Mondello who have brought their vision of Storm to life.

A serial soap opera containing eight episodes in season one, the season premiere of *Rising Storm*, TEMPEST RISING, debuts September 24<sup>th</sup> with each subsequent episode releasing consecutively this fall.
